— H & F Constructors, LLC

## H & F Constructors, LLC

H & F Constructors is a privately owned construction company headquartered in Denver Colorado. We have over 17 years' experience in civil, transit and commercial construction services. Our competitive edge is our unyielding commitment to customer services, safety and exceeding our client's expectations. We are dedicated to providing our clients with every service necessary for a successful project. We are proud of all our accomplishments and strive to exceed our customers' expectations of quality, timeliness, and value.

Building lasting relationships with our clients is the corner stone to our project success. We remain committed to delivering exceptional service and quality projects. Every project is different, and we tailor our construction services to meet the specific goals and needs of each one.

## Our Vision

To achieve sustainable and quality growth, nurture a winning network of customers and suppliers and build success based upon customer satisfaction, conducting business with integrity and collaboration.

## Our Mission

To provide value-added construction services to our clients; to make a difference and create lasting and trusting relationships.

## Core Values

Our core values are the guiding principles that are important to developing our culture, our brand, our reputation, exemplifying leadership and running a successful business. Those values include: Integrity and Ethics- Conducting business with integrity and ethics is fundamental to our core value. In today's highly competitive business climate, a solid reputation is essential and our reputation depends largely upon our integrity and ethics.
